

Donating to **P.A.C.**

Political Action Committees

Your financial donations help support candidates that believe public education is the right of "every child."

Let Your Voice Be Heard!

Educators must remain active in the political process. Your monthly donation is the first step.

Please contact your Bonneville UniServ office for more information.

Why Should You Contribute?

- Contributing to the PAC fund is a positive way in which educators can let their voices be heard in the support of state representatives and local school board members.
- To get involved in the political process please sign up for PAC contributions. You may pay by check, cash, or E.F.T.
- Giving a small amount monthly is a great investment in the future of public education.
- By donating to PAC it's possible to support candidates that care about public schools.
